About the Villa

Located in the hills of Stresa, this luxurious modern villa, built in 2003, offers a spectacular panoramic view of Lake Maggiore, Lake Varese, and the Milanese plain. Nestled in the heart of a 5,000 m² park, it ensures total privacy thanks to its natural surroundings.

Elegant and luxurious spaces

With a total surface of 500 m² spread across three levels, the villa embodies modern comfort. A glass elevator connects the floors, unveiling a spacious living room, an elegant dining area, and five bedrooms, each with its own en-suite bathroom. A panoramic terrace of over 110 m² invites you to enjoy the breathtaking views. The villa also features two modern kitchens and generous living spaces, ideal for entertaining.

Wellness and relaxation

The villa is designed for ultimate well-being, featuring a high-end SPA area with a Finnish sauna, steam room, Himalayan salt cave, and jacuzzi with a lake view. Outside, a heated swimming pool with hydromassage jets completes this idyllic setting. Enjoy moments of total relaxation in this private oasis.

High-End finishes and modern comfort

Recently renovated, the villa is equipped with the latest technologies, including Ultra HD video surveillance, high-speed internet, and a next-generation alarm system. Automatic lighting, an advanced water purification system, and automated irrigation ensure uncompromising comfort. A large wine cellar, laundry room, and spacious garage for five cars complete this exceptional property.
